

National Institute of Technology Silchar, Assam, India

Satyendra Nath Bose Summer Internship Program 2024

This Summer Internship program attempts to bring together students from prominent institutions across the country. It will allow external and internal students to participate in research projects, undergo mentorship by faculties of NIT Silchar thereby leading to close conglomerates and collaborations between respective institutions.

Eligibility: External and Internal Students of B.Tech **pre-final year (3rd Year - after completion of 6th Semester)** in Civil Engineering, Mechanical Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical Engineering, Electronics and Instrumentation Engineering and 2nd semester students of Dept. of Management Studies are eligible to apply.

Duration of Program: Minimum duration of 6 weeks between June 01, 2024 to July 30, 2024.

Application Process: Students may apply with the proposed research proposal. The application form is available in the institute website www.nits.ac.in

Requirements:

- The internship will be under the mentorship of a faculty from NIT Silchar.
- Applicants **above CPI 7 or 70% for external students and CPI 6 and above for Internal students** can apply.
- For external candidates, a bonafide cum recommendation letter is required from the parent institute. External candidates will have to select any one (online/offline) Internship mentioned in the application form.
- No accommodation will be provided to external students (outside NIT Silchar) for offline Summer Internship.
- The application form should be duly signed and forwarded by the Head of the Department (HOD) of that institution.
- Applicants are requested to contact the individual faculties of respective departments (www.nits.ac.in) and after getting consent from the respective faculty, they can apply for Summer Internship.
- Letter of consent from host faculty should be submitted along with the application form.
- Applicants are to submit a report to the individual faculty/department after the end of internship.

At the successful completion of the Summer Internship, students will receive certificates.

Selection procedure:

After the submission of applications, thorough review of the applications will take place. The list of shortlisted applicants will be informed via email.
