## Tourism and Livelihood

A Road Towards Vision Viksit  
Bharat@2047

**FEB 8, 2025 • HYBRID MODE**

Organized by: Dept. of Management Studies, NIT Silchar

# Indian Council of Social Science Research

Indian Council of Social Science Research (ICSSR) was established in 1969 by the government of India to promote research in social sciences in the country. ICSSR provides grants for projects, fellowships, international collaboration, capacity building, surveys, publications, etc., to promote research in social sciences in India.

The documentation Center of ICSSR, which is the National Social Science Documentation Centre (NASSDOC), provides library and information support services to researchers in social sciences. ICSSR has developed the ICSSR Data Service to serve as a national data service that promotes a powerful research environment through the sharing and reuse of data among the social science community in India.

## National Institute of Technology Silchar

NIT Silchar is recognized nationwide as one of the leaders of Engineering and Research Institutes. The developments over the years speak volumes about the quality of education imparted in the Institute. This is also well reflected in the faith the companies have reposed in the students as they keep on visiting the Institute for recruitment. NIT Silchar is ranked 40 (Engineering) and 83 (Overall) in 2023 NIRF Ranking. Internationally it is ranked at band of 601-800 by THE and 401-450 by QS Asia in the year 2024.

Starting its journey in 1967 as Regional Engineering College, in 2002 it was upgraded to the status of National Institute of Technology and was declared as Institute of National Importance under the National Institutes of Technology Act, 2007. The sprawling lush and opulent campus covers an area of almost 700 acres, accommodating more than 3500 students (B.Tech, M.Tech, M.Sc, MBA, and PhD Scholars), state of the art support system accompanied by an excellent infrastructure adds up to its reputation.

## Department of Management Studies

The Department of Management Studies (DoMS), National Institute of Technology Silchar started its journey on August 21, 2012, and operates in a dedicated facility equipped with smart classrooms, a comprehensive library, computer labs, and seminar halls, all supported by a committed faculty. Student performance is closely monitored, ensuring consistent feedback and improvement. Regular interactions with industry leaders and frequent industrial visits enrich the learning experience.

The department has a remarkable success placement record for the graduating batches each year. The department organizes various management events through the "Management Society," a platform for aspiring managers to brainstorm and implement their ideas while engaging in meaningful events. The departmental magazine, "AAGHAZ," also provides students a venue to share their innovative thoughts and creative insights. The department also engages in various research and consultancy projects, seminars, academic conferences, and publications.
