IN CASE OF EMERGENCY

Both the ambulance drivers are provided with an official cell phone for direct contact in case of emergency. The cell phone No. (9678780007/9678780002) of the respective ambulances are displayed for notice in every building of the institution in prominent locations (Academic & Hostel Zone, Administrative Building, common halls, sports Centre, etc.,) for call in case of an emergency.

Any student/resident requiring emergency medical management will be brought by the ambulance to the Health Centre. Doctors on duty will examine the patient in the casualty. Patient's general condition and vitals will be monitored and necessary steps will be taken to stabilize the patient. If needed, ECG will be taken immediately and required investigations will be carried out. The doctor will diagnose and manage the case accordingly.

After stabilizing the patient, those requiring secondary and tertiary management will be referred to SMCH for the needful.(approx. 1 KM from NITS)
